Good afternoon,

As the Kurdistan Regional Government (KRG) prepares for the election of the region's new parliament and president on July 25, I wanted to bring your attention to [www.kurdsvote.com](http://www.kurdsvote.com). This site outlines the history of the KRG's elections, voting procedures, political party and slate lists and other data.

This is an exciting moment for the Kurdistan Region of Iraq and the latest step in the journey towards a greater democracy.

The election will be run by the Independent Electoral Commission of Iraq and monitored by representatives of several international organizations including the International Federal of Election Systems, the European Commission and American University of Washington, D.C.

If you have any questions about the election, please do not hesitate to visit the site or contact us.

Best,  
Matt
